

EDUCATION PARENT HANDOUT

Bullying 101

Bullying has become an important issue today. According to the National Education Association, a child is being bullied once every seven minutes.

Here is what you can do:

1. Report all instances of bullying to the school in writing and retain a copy for yourself.
2. Obtain a copy of the school's bullying policy
3. Keep a journal of when bullying happens, your child's story, actions taken and school response.
4. Work with the school district to help stop bullying.
5. If the school does not help to stop the bullying, send a written complaint to the school district and address the letter to the Superintendent. If you continue to have problems, follow the school policy and make a complaint to the Arkansas Board of Education. You can call 501-682-4212 or mail the complaint to:
