

Dear Parent/Teacher:

Thank you so much for your interest in the ACHiever program!

The ACHiever program was initially designed for young women entering the ninth grade and has been ongoing in the community for the past 19 years. With its success, in 2018 the program grew to offer an ACHiever program for young men. This program is sponsored by the Arkansas Children's Hospital's Auxiliary, a group of volunteers who work to raise funds and awareness for ACH. Today, any ninth grade student can apply to the program!

This year, due to COVID19, the ACHiever Program will move to be a virtual education and volunteer program.

Despite the pandemic, our goal remains the same with this essential program: to expose young women and men to Arkansas Children's Hospital, introducing them to a variety of wonderful medical careers, and encouraging the importance of philanthropy.

ACHiever participants will also earn community service hours through attendance of these educational online sessions and volunteering through a variety of opportunities we will offer throughout the year.

The program will take place virtually once a month from October to April, with our first session serving as an orientation for students and parents. Sessions are scheduled for the third Monday of each month from 5:30 – 6:30pm, except for December and January, which will take place on the second Monday.

Please share this information with your son or daughter. If he or she decides to make a commitment to the ACHiever program, we ask that you mail the ACHiever Program Application with a tax deductible deposit*.

Also, thanks to the generosity of local businesses and individuals, we have scholarships available! If you would like to apply for a scholarship, please mail/email the ACHiever Program Scholarship Application.

Once your son/daughter has been accepted into the program, you will be notified and additional detailed information will be mailed to you. Should you have any questions, please don't hesitate to call us.

We look forward to having your son/daughter as an ACHiever!
