For An Act To Be Entitled

AN ACT TO CREATE THE ARKANSAS CHILD DEATH REVIEW PANEL; AND FOR OTHER PURPOSES.

Subtitle

TO CREATE THE ARKANSAS CHILD DEATH REVIEW PANEL.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

SECTION 1. Arkansas Code Title 20, Chapter 27, is amended to add an additional subchapter to read as follows:

20-27-1701. Legislative findings and purpose.

(a) The General Assembly finds that:

(1) The unexpected death of infants and children is an important public health concern;

(2) The collection of data on the causes of unexpected deaths will enable the State of Arkansas to protect some infants and children from preventable deaths and help reduce the incidence of these deaths; and

(3) Multi-disciplinary and multi-agency review of infant and child deaths can assist this state in investigating infant and child deaths, developing a greater understanding of the incidence and causes of these deaths and the methods for prevention and identifying the gaps in services to children and families.

(b) The purpose of this subchapter is to:

(1) Identify the causes of death of children under eighteen (18)
years of age; and

(2) Reduce the incidence of injury and death to children by
requiring a death review to be performed in all cases of unexpected deaths of
children under eighteen (18) years of age.

As used in this subchapter:

(1) "Child" means a person under eighteen (18) years of age; and
(2) "Unexpected death" means:

(A) A death involving a child who has not been in the care
of a licensed physician for treatment of an illness that is the cause of
death;

(B) A clinical diagnosis of death due to Sudden Infant
Death Syndrome; or

(C) A death due to an unknown cause.

(a) The Arkansas Child Death Review Panel is created within the
Arkansas Child Abuse/Rape/Domestic Violence Commission.
(b) The review panel shall consist of the following members:

(1) A representative from the State Medical Examiner's Office;
(2) A coroner who is registered with the National Board of
Medicolegal Death Investigators;
(3) A representative from the Center for Health Statistics of
the Department of Health;
(4) A representative from the Crimes Against Children Division
of the Department of Arkansas State Police;
(5) A representative from the Division of Children and Family
Services of the Department of Human Services;
(6) A representative from the Arkansas Child Abuse/Rape/Domestic
Violence Commission;
(7) A physician who specializes in child abuse;
(8) A representative from the College of Public Health at the
University of Arkansas for Medical Sciences;
(9) A representative from the Office of the Prosecutor
Coordinator; and

SB1011

(10) Any other individuals the review panel determines are necessary for a review.

The Arkansas Child Death Review Panel may:

(1) Establish local and regional review panels and delegate some or all of its responsibilities under this subchapter;

(2) Analyze data available from state agencies or other agencies that may decrease unexpected deaths of children;

(3) Collect, review, and analyze all death investigation reports prepared under this subchapter and other appropriate information to prepare reports for the General Assembly concerning the causes of unexpected deaths of children and methods to decrease those deaths;

(4) Identify trends relevant to unexpected deaths of children;

(5) Educate the citizens of Arkansas regarding the incidence and causes of injury to and death of children and of the public’s role to assist in reducing this risk;

(6) Establish training criteria for county coroners; and

(7) Determine the information to be included in a child death investigation report and provide this information to county coroners, medical providers, and other agencies to be used in preparing a death investigation report.

(a)(1) A copy of a child death investigation report required under this subchapter, including information from law enforcement agencies, coroners, fire departments, medical providers, or any other information relative to the death investigation shall be provided to the Arkansas Child Death Review Panel within thirty (30) days from the date the review panel requests the information.

(2) Subdivision (a)(1) of this section is not applicable to a death that is under criminal investigation, prosecution, or has been adjudicated in a court of law.

(b)(1) The review panel or a local or regional review panel may access medical records and vital records in the custody of physicians, hospitals, clinics, other health care providers, and the Department of Health concerning
the unexpected death of the child being investigated.

(2) The review panel may request any other information, documents, or records pertaining to the completed investigation of unexpected deaths of children.

(c) Nothing in this subchapter shall alter or restrict the authority or jurisdiction of a county coroner.

(d) When the review panel determines that a parent or guardian was treating a child according to the tenets and practices of a recognized religious method of treatment that has a reasonable proven record of success, the review panel is not required to make a finding of negligent treatment or maltreatment.

(a)(1) All records, reports, and other information obtained by the Arkansas Child Death Review Panel or local or regional review panel and the result of any child death investigation report shall be confidential.

(2) The records, reports, and other information obtained by the review panel or local or regional review panel shall not be:

(A) Subject to a subpoena;

(B) Disclosed or compelled to be produced in any civil, administrative, or other proceeding; or

(C) Admissible as evidence in any civil, administrative, or other proceeding.

(3) The records, reports, and other information obtained by the review panel or local or regional review panel shall be available to law enforcement agencies and prosecuting attorneys.

(b) Any person, agency, or entity furnishing confidential information shall not be liable for releasing the confidential information if the information was furnished in good faith under the provisions of this subchapter.

(c) The review panel may publish statistical compilations reflecting unexpected deaths of children that do not identify individual cases, physicians, hospitals, clinics, or other health care providers.

(d)(1) State, local, or regional review panel members shall be immune from civil and criminal liability in connection with their good faith participation on the review panel and all activities related to the review panel.
(2) No civil or criminal immunity exists if a state, local, or regional review panel member knowingly or willingly violates this subchapter.

(e) Pursuant to the Health Insurance Portability and Accountability Act of 1996, disclosure of protected health information is allowed for public health, safety, and law enforcement purposes and providing case information on unexpected deaths of children for review by the review panel is not a violation of that act.

(a)(1) The Arkansas Child Death Review Panel shall report on or before December 31 of each year to the Legislative Council the number and causes of unexpected deaths of children.

(2) The Legislative Council shall forward the report to the Senate Interim Committee on Children and Youth and the House Interim Committee on Aging, Children and Youth, Legislative and Military Affairs.

(b) The report shall include:

(1) The review panel’s finding and recommendations for each of its duties under § 20-27-1704;

(2) An analysis of factual information obtained from the review of the child death investigation reports under § 20-27-1705; and

(3) Reports of the review panel and any local or regional review panels that do not violate the confidentiality provisions under § 20-27-1706.
